

Proposed Boundary Changes for Mann Elementary School 4430 Newark St. NW

Mann Elementary School is the public school of right for all school-age children living within the attendance zone. Families can also apply to charter schools or out of boundary to DCPS schools through a lottery process.

Target School

Current Boundary

Proposed Attendance Zone

DCPS Elementary or PS-8 Schools

SY 2013-14

Enrollment: 287

In-Boundary: 87%

Bldg Capacity: 370

Bldg Utilization: 78%

# of grade appropriate public school students living within the current boundary (SY13-14)	271
# of grade appropriate public school students living in proposed attendance zone (SY13-14)	283
Boundary participation (% public school students living in boundary and attending) (SY13-14)	91%
Projected 4-10 year old child population change 2014-2020, Neighborhood Cluster 13	-8%

Rationale for Proposed Boundary Changes: Mann's attendance zone extends slightly to the southwest to absorb a small portion of the Key boundary. This change is feasible as there are few public school children in their boundary and they are scheduled for a modernization in 2015.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundary for Mann ES is zoned for and has a right to attend Hardy MS and Wilson HS. Any student attending the school out-of-boundary has the right to continue in the feeder pattern to Hardy. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
